

Giggle & Wiggle

Social Story

Supporting new experiences

Going to Giggle & Wiggle at the Library!

A social story is a social learning tool. The images and words are used to prompt discussion and role-play of new people/places and activities for our early childhood programs. Social Stories help to guide behaviour and help children to understand a new skill or concept. Please read through and look at the images with your child before the session.

Soon, we will go
to the library.

Sometimes when we go to the Library I can go to Giggle & Wiggle in the Children's Room.

There are other
grown-ups and
children at Giggle &
Wiggle.

We dance and sing at
Giggle & Wiggle.

There is loud music at
Giggle & Wiggle for
our dancing.

At Giggle & Wiggle the teacher will dance and sing.

I can dance and sing with the other children too.

Sometimes the teacher will give me bells, ribbons or shakers to dance with.

I use gentle hands with other children and books at the library.

After all of the dancing, the teacher will do a song with bubbles.

There is a bathroom at the library if I need to use the toilet.

I can look for books
to borrow after
Giggle & Wiggle.

I can wave and say
“Goodbye” to the teacher
and other children when it
is time to go.

I am learning about
going to Giggle & Wiggle
at the Library.
