Social Story

Supporting new experiences

Going to Tell me a Story at the Library!

A social story is a social learning tool. The images and words are used to prompt discussion and role-play of new people/places and activities for our early childhood programs. Social Stories help to guide behaviour and help children to understand a new skill or concept. Please read through and look at the images with your child before the session.

Soon, we will go
to the library.

The library is a place where I can look at books.

Sometimes when we go to the Library I can go to 'Tell me a Story' in the Children's Room.

There are other grown-ups,
children and senior friends at
Tell me a Story.

There is a librarian who does
Tell me a Story for the children.
They are like a teacher.

At 'Tell me a Story' the librarian will read books to the children. I will sit and listen to the stories.

I sit on the rug with
the other children at
'Tell me a Story'.

I use gentle hands with other children and books at the library.

Sometimes I will sing
some songs and
there will be music.

After I have listened to the stories, I will do activities or craft with my senior friends. My grown-up will help me.

Sometimes I will
use crayons,
scissors and glue.
My grown-up will
help me.

There is a
bathroom at the
library if I need
to use the toilet.

I can look for books on the bookshelves after Story Time.

I can wave and say
“Goodbye” to the librarian
and other children when it
is time to go.

I am learning about going to
'Tell me a Story' at the Library.

The End

Visit gmlib.co/kids for more social stories:
