BETTS and SON Solicitors Papers

This collection of papers was given to the Goulburn City Library in the early 1990s by Neil Kennedy and Don Elder of the firm Baker and Kennedy, Solicitors of Montague Street, Goulburn.

Over a two year period they have been indexed and placed in archive boxes. They should be a valuable research item especially for anyone researching land conveyances or grants.

The History of Betts and Son Solicitors

Although the partnership of Betts and Son only dates from 1898, the history of the firm dates back some about 50 years before that.

In 1849 Charles Hamilton Walsh started a practice in Goulburn as a solicitor. In early 1850 he took Samuel Fry Blackmore in as a partner, trading as Walsh and Blackmore. This partnership lasted until the late 1850s.

C H Walsh was elected in 1859 as the first Mayor of the newly established Municipality of Goulburn. He was Mayor for one year only.

Walsh continued the practice until in 1870 he formed another partnership with Augustine Matthew Betts. This partnership was dissolved just before C H Walsh died in 1874. Betts continued on alone until in the 1880s the firm became Betts and Carter when John Carter was made a partner in the firm. This lasted for 10 years.

Carter was replaced in 1891 by John Stinson, trading as Betts and Stinson. By 1898 A M Betts' son, Ernest Augustine came into the firm replacing John Carter.

The firm now traded as Betts and Son. Although A M Betts died in 1924 the firm continued on as Betts and Son until 1946 when it became Betts and Baker with the admission of Preston Baker. E A Betts died two years later in 1948.

In 1949 the firm became Betts and Baker with Darcy and Kennedy. From 1964 until 1990 it was Baker and Kennedy and then became Galland Elder and Lulham as it is known to this date.
